Honorable Susan D. Wigenton  
 United States District Court  
 50 Walnut Street  
 Newark, NJ 07101

RE: U.S. v. Andre Johnson, 2:07-CR-949  
 Request for Revocation of Pretrial Release and for  
 Expedited Sentencing Date

Dear Judge Wigenton,

As the Court will recall, counsel requested that Mr. Johnson's pretrial release be revoked and that he be ordered detained during the plea hearing. Since that time, I have spoken with A.U.S.A. R. Joseph Gribko and he has no opposition to this request. On a previous occasion, I also spoke with Ken Rowen of Pretrial Services, Mr. Johnson's pretrial services officer. Mr. Rowen fully agrees with ordering Mr. Johnson detained.

Attached please find a Consent Order reflecting the revocation of pretrial release. If it meets with the Court's approval, please sign it and have your staff file same.

In addition, during the plea, counsel requested an expedited sentencing date due to the pendency of another case against Mr. Johnson in state court. The Court suggested that Counsel make this request through U.S. Probation. U.S. Probation, however, has advised Counsel that the Court has the authority to order an expedited sentencing date. Counsel, therefore, respectfully renews this request to the Court.

Thank you for your continual professional courtesy in this matter. I will await a reply from your staff.
